Coquille, Oregon (June 25, 2014) – Safeco Insurance has recognized First Community Insurance with a Safeco® Premier Partner Program award for performance and partnership. Fewer than 10% of independent insurance agencies that sell Safeco personal lines products receive this distinguished honor.

“Only the best agencies are selected for the Safeco Premier Partner Program,” said Matthew Nickerson, president of Safeco Insurance. “A commitment to service and high achievement has earned these top performers access to special resources that provide additional support to their important role as trusted advisors for our customers.”

“We are honored to be recognized as a Safeco Premier Partner agency,” said Willie King, Agency Manager of First Community Insurance. “And we take pride in helping our customers protect what matters most to them.”
